

Ready to Learn About Medicare?

The Illinois Senior Health Insurance Program (SHIP), in conjunction with the Medicare Rights Center and the Illinois Department on Aging, has developed a series of web-based learning opportunities for organizations that assist Illinois' Medicare beneficiaries.

Sessions will be conducted on a variety of topics, including Medicare Part D, Medicare Supplements, private plans such as HMOs and PPOs, the Low-Income Subsidy (Extra Help), Illinois Cares Rx and Medicare Savings Programs. A tentative schedule of these trainings is listed below, with more to follow soon. Trainings are scheduled to begin at 10am C.S.T.

- Tuesday, November 6: Part D and an Introduction to SHIP
- Tuesday, December 4: Private Plans (HMOs, PPOs and More)
- Tuesday, January 8: Low Income Subsidy, Medicare Savings Plans and Illinois Cares Rx
- Tuesday, February 5: Medigap Plans

Instructions on how to log on to the training or accessing the training via telephone will be provided soon.
